

# 2010 OAK CREEK SWIM TEAM PARENT OBLIGATION FORM

Reg. # \_\_\_\_\_

**Family Name:** \_\_\_\_\_

The Oak Creek Orcas Swim Team (OCST) is a 100% volunteer organization. It takes parental support to operate the team and conduct swim meets. Parent participation in the OCST's activities is a condition of membership. Families that do not fulfill their volunteer requirements as listed below may be excluded from team participation the following season.

Each swim meet is divided into a first half and a second half. Jobs last approximately 2 hours and are easy and fun to do. **One adult member of each team family is expected to work one (1) half of the mandatory Boy/Girl Practice Meet, plus four (4) half or two (2) full ISL meets during the regular season\***. When possible, parents should work the same job at each meet. If your child participates in the ISL championship meet, one parent will be asked to work one (1) half of that meet as well.

Of course, we recognize that plans change. **If you find that you cannot work a meet that you have agreed to work, it is your responsibility to find a replacement. Your replacement will receive credit for working your shift, and you will be asked to work another shift at another meet.** As a result, best practice is to trade shifts. Whatever you work out, it is imperative that you inform the Volunteer Coordinator of your plans no later than the Wednesday prior to the meet that you intend to miss.

You may sign up during registration for the jobs/meets at which you'd prefer to work, and we will do everything we can to honor your requests. However, during the season, we may occasionally need to ask you to change meets and/or job assignments. If you absolutely CAN NOT have a change made to your assignment(s), let us know at registration. **Families which do not sign up at registration will be assigned jobs by the Volunteer Coordinator.**

---

I have read and understand the above requirements for parent participation for the Oak Creek Orcas Swim Team. I understand that I must work a total of one (1) half of the Practice Meet plus four (4) halves or two (2) full ISL meets during the regular 2010 season. I understand that such parental support is a condition for swim team membership.
